

Betsy DeVos

Dear Mr. President,

I hear that some have implied that my family and I are working against you in Michigan. That is fake news. Those telling you that are doing so for their own personal gain. As you remember, our family has supported you and we are in fact working together to elect many candidates in this state, including John James, Lisa McClain, John Moolenaar and Diana Schindebeck. To make sure we beat Gretchen Whitmer - America's worst governor - in November, the best thing we can do is work together to elect Tudor Dixon. She's committed to the same principles you are and she's the only one who can stand toe to toe with "that woman from Michigan".

Betsy DeVos

Our family has only one focus -
electing conservative Republicans
who will help get Michigan back
on track.

Your support of Tudor can make
the winning difference!

Very sincerely,
Betsy
