Re: Update to Your California Public Records Act Request No. 24-365

Dear Diana Falzone:

The City of Monterey provides this updated response to your California Public Records Act request for any police report involving Peter Hegseth (aka Pete Hegseth).

Upon further investigation by the Monterey Police Department (MPD), its records indicate a redacted version of Monterey Police Report YG1705129 was released to Mr. Hegseth on March 30, 2021, pursuant to his request. Therefore, the exemptions claimed in the City's prior response to your request are not applicable. (See, *Berkeley Police Ass'n v. City of Berkeley* (1977) 76 Cal.App.3d 931, 941-42; *Kinney v. City of Corona* (2023) 99 Cal. App. 5th 1, 9, quoting *County of Santa Clara v. Superior Court* (2009) 170 Cal.App.4th 1301, 1321-1322.) As such, Monterey Police Department Report YG1705129 is enclosed with redactions to ensure the confidentiality of the victim's identity and that of her minor children. The identities of victims of certain types of crimes, including victims of sexual assault, are required to be withheld if requested by the victim. (Government Code section 7923.615, subd. (b).) Also, the public interest in the identity of the victim and the names of and information regarding her children is not outweighed by their right to privacy. (Government Code section 7927.410, subd. (d).)

Please note, however, that another agency's Police Report, Kaiser Permanente Report, an audio recording, surveillance footage, a photograph, and memorandum from the Monterey County District Attorney's Office, that are responsive to your request, were never released and remain confidential. These files are exempt from the California Public Records Act pursuant to Government Code sections 7923.600, 7923.605, and 7927.705, and California Penal Code section 11163.2.

I am the official responsible for making the determinations regarding your request pursuant to Government Code section 7922.540(b). Please feel free to contact me should you have any questions.

Primary Narrative

SUMMARY:

[REDACTED], a nurse at Kaiser Permanente in [REDACTED], reported suspicious circumstances to have occurred at the Hyatt Hotel at One Old Golf Course Road in Monterey, after a patient came in requesting a sexual assault exam. The patient was allegedly sexually assaulted at the Hyatt Hotel between 10-7-17 and 10-8-17.

I recommend this case be forwarded to investigations for their review.

INVESTIGATION:

On 10-12-17, at approximately 1223 hours, I received a telephone detail from Nurse [REDACTED] at Kaiser Permanente in [REDACTED]

[REDACTED] informed me that a patient had come into their center requesting a sexual assault examination. [REDACTED] said the patient wished to be identified as JANE DOE. [REDACTED] said that DOE was in Monterey between 10-7-17 and 10-8-17, staying at One Old Golf Course Road the Hyatt Hotel for business. [REDACTED] said that at some point late at night on 10-7-17 or early morning on 10-8-17 DOE was at the Hyatt consuming alcohol with coworkers. [REDACTED] said DOE was not sure, but believes that something may have been slipped into her drink, as she cannot remember most of the night's events. [REDACTED] said that DOE remembers being in one of her coworker's hotel rooms and remembers being ejaculated on. [REDACTED] said DOE could not remember whether or not any sexual penetration occurred, but believes that she was sexually assaulted at that time.

[REDACTED] said that DOE had then returned to her home in [REDACTED] and had come in to Kaiser Permanente on 10-12-17 to request a sexual assault exam. [REDACTED] said that she was reporting this incident, as she was a mandated reporter. [REDACTED] said that she was going to refer DOE to an emergency hospital room for an examination. I asked [REDACTED] if DOE would like to speak with Monterey PD concerning this incident or if she would be willing to come back to Monterey PD to discuss it. [REDACTED] said that DOE is not sure what she wanted to do at this point and did not even want to disclose the suspect's name at this point. [REDACTED] said that DOE simply wanted the exam done at this point. I informed [REDACTED] that DOE had the right to go to a hospital and have an exam conducted anonymously if she so wished. I informed [REDACTED] that I would document her statements in this incident within a suspicious circumstances report. I informed [REDACTED] of the case number and

Supplement 01

SUMMARY:

This supplemental report documents my contact with ER nurse, [REDACTED], [REDACTED], and [REDACTED] Police OFFICER [REDACTED]. This supplemental report documents the alleged sexual assault of, JANE DOE.

This supplemental report should be forwarded to Investigations for follow up.

INVESTIGATION:

On 10/12/17 at approximately 1800 hours, I was dispatched to a phone call for an alleged sexual assault. The reporting party was ER Nurse [REDACTED] who works for Kaiser Permanente in [REDACTED].

[REDACTED] was reporting JANE DOE had come into the ER and requested a SART exam be done for a sexual assault that occurred at the Hyatt, 1 Old Golf Course Road in Monterey. [REDACTED] did not have any other information regarding the incident other than that it occurred in Monterey.

I contacted the [REDACTED] Police Department and requested they take the initial investigation for this case regarding the sexual assault of JANE DOE.

OFFICER [REDACTED] of the [REDACTED] Police Department contacted me later in the evening and advised me he had spoken to JANE DOE regarding the sexual assault.

OFFICER [REDACTED] gave me the following statement in summary:

DOE was at the Hyatt Hotel in Monterey, California on 10/7/17 attending a Republican women's conference. On 10/7/17 she was drinking at the hotel after the conference and remembers approaching PETER HEGSETH, who was a speaker at the convention, and commented on how she did not appreciate how he treated women. DOE then remembers leaving the hospitality room and going to a hotel room. She sees the suspect, HEGSETH, and remembers his dog tag necklace. DOE then remembers HEGSETH ejaculating on her stomach. HEGSETH told DOE "clean it up". Doe than found her way back to her own hotel room.

For more information on this case refer to OFFICER [REDACTED] of the [REDACTED] Police Department Case [REDACTED]. [REDACTED] also informed me that DOE would be performing a full SART and SART nurses had collected the dress and panties

46 that had been worn the night of the sexual assault. The dress and panties had
47 not been washed since the incident.

48
49 At approximately 2100 hours I contacted Hyatt [REDACTED] [REDACTED].

50
51 [REDACTED] gave me the following information:

52
53 HEGSETH and DOE were attending the same conference, the Republican
54 women's convention, at the Hyatt and were both checked into the hotel.
55 HEGSETH was in Building 5 Room 528 and DOE was in Building [REDACTED].
56 [REDACTED] said the conference took place in the ballroom and conference center
57 and that there was no video surveillance that would have shown both parties
58 together.

59
60 On 10/13/17 at 2142 hours I received a copy of [REDACTED] Police Officer [REDACTED]
61 investigation. The report was summarized as follows:

62
63 HEGSETH and DOE were at the hotel attending the Republican Woman's
64 Convention. DOE was at an after party event in the presidential suite around
65 2330 hours on 10/7/17. DOE had been drinking and the events were blurred and
66 lacked specifics and a fluid sequence of events. DOE remembers HEGSETH
67 preventing her from leaving and somehow ended up on top of her. DOE
68 remembers HEGSETH ejaculating on her stomach. DOE does not remember
69 what happened after that other than she ended up back in her hotel room. SART
70 NURSE [REDACTED] conducted the SART exam and collected the dress and
71 panties from the night of this incident.

72
73 A copy of OFFICER [REDACTED] report has been attached to this case.
